

Preliminary Review Form

This is not an application. This is a preliminary review to see if your proposed line is currently accepted by the Mayflower Society.

Directions for New and Supplemental Applicants: Print out this form and fill in the blanks with your proposed line of descent from **one** *Mayflower* Pilgrim to yourself. Send this regular mail, not certified, with a **self-addressed stamped-envelope** to our historians (address at right). The historians have significant resources to check your information and see if this line is **possible**. They will get back to you with directions about how to proceed. Thank you.

If you have more than one Pilgrim ancestor, you must submit a separate form for each Pilgrim. Please work on proving one line of descent at a time.
